

**BAKERY AND CONFECTIONERY UNION AND INDUSTRY
INTERNATIONAL PENSION FUND**

In September 2011, the Financial Accounting Standards Board issued Accounting Standards Update No. 2011-09, which revised the accounting disclosures required for employers participating in multiemployer plans.

The purpose of this notice is to assist employers contributing to the Bakery and Confectionery Union and Industry International Pension Fund (the "Plan") by providing certain information about the Fund that may be necessary for reporting.

The relevant information is as follows:

Legal name of the Plan:

Bakery and Confectionery Union and Industry International Pension Fund

Employer Identification Number:

EIN: 52-6118572 PN: 001

Zone status:

The Plan is in the critical status (the "red zone") for the Plan Year beginning January 1, 2013 and ending December 31, 2013 (the "2013 Plan Year"). Employer surcharges were required by law in the initial critical year and are effective June 1, 2012. The Board of Trustees adopted the Plan's Rehabilitation Plan on November 7, 2012 and review the Plan annually. Additional information can be found on the Funds website at www.bctrustfunds.org

Utilization of extended amortization provisions:

Pursuant to the Pension Relief Act, the Plan elected to change the asset valuation method to smooth the net 2008 investment losses over 10 years instead of 5 years and the upper limits on the actuarial value of assets for the plan years beginning January 1, 2009 and 2010 have been increased from 120% to 130% of the market value of assets.

Five percent contributors:

For the Plan Year ended December 31, 2012, the Plan listed Bimbo Bakeries USA, Mondelez International, Inc., Safeway Stores, Inc. and The Kroger Company as having contributed more than 5% of the Plan's total contributions. Further, for the Plan Year ended December 31, 2011, the Plan listed BBU Inc., Kraft Foods Global, Inc., Hostess Brands, Inc., Safeway Stores, Inc. and The Kroger Company as having contributed more than 5% of the Plan's total contributions. The total contributions to the Plan were

\$167,459,148 for the Plan Year ended December 31, 2012 and \$155,309,596 for the Plan Year ended December 31, 2011.

The Form 5500 for the Plan Year ended December 31, 2013 is not yet available. We expect that it will be available on or about **October 15, 2014**.

Employer Obligations:

Employer contributions for a plan year can be derived by reviewing monthly remittances to the Plan. The expiration date(s) of the collective-bargaining agreement(s) as well as an employer's minimum contribution(s) required for future periods can be derived by review of the agreements negotiated between the employer and BCTGM Local Union.
